

PRESS RELEASE

ATALIAN strengthens its position in Belgium with the acquisition of Solar Cleaning Services

ATALIAN Global Services, a major global player in global corporate services, strengthens its position in Belgium following the acquisition of Solar Cleaning Services.

Solar Cleaning Services joins ATALIAN, a national player with a strong regional culture for business services.

"Over the next few weeks, we will integrate this local company into our ATALIAN structure. We pursue our common goal : the satisfaction of our customers and employees within our various divisions, "confirms Guido Perremans, CEO of ATALIAN Belgium and the Netherlands.

A major player in the facilities sector, present throughout the country, with a regional character

SCS has a strong regional position in cleaning and strengthens ATALIAN's national network in Belgium. The acquisition is a further step in ATALIAN's growth and strengthens national coverage within a strong international network. "ATALIAN wishes to occupy a distinctive position in the Belgian facility services market," says Guido Perremans, CEO of ATALIAN Belgium and the Netherlands.

About ATALIAN:

With a turnover of more than 2 billion euros, more than 100,000 employees and a presence in 32 countries, ATALIAN is an independent leader in the field of facilities services.

ATALIAN has more than 25,000 customers in the private and public sectors.

Its services are now organized around several businesses : Cleaning, Security, Multi-technical and Facility Management, Reception, Landscaping, Finishing works, Energy Management ...
