ATALIAN expands its Multiservice offer in Belgium with ATALIAN Building Solutions.

ATALIAN Global Services, a major global player in global corporate services, acquires SIBES and confirms its position by adding "ATALIAN Building Solutions" maintenance services to its cleaning and catering services.

With its multiservice approach, ATALIAN wants to be a key and major player on the Belgian market of facilities services. ATALIAN offers multidisciplinary teams guaranteeing expertise in each of the areas of intervention with solutions that allow companies to maintain their focus on their core business while easing the complexity of their services.

ATALIAN Global Services in Belgium today is a national network with regional proximity on which support 3 fundamental pillars:

- **Cleaning and Cleanliness:** a full range of professional services that combines specific know-how, complementary solutions and sector expertise,
- **Catering (Green Kitchen):** the concept of fresh, organic, natural and innovative cuisine for corporate restaurants or a direct delivery service at the workplace,
- **Building Solutions:** 24/7 technical services and optimization expertise, maintenance and renovation for buildings, their environment and infrastructure with an integrated ecological and economic approach.

ATALIAN's Facility Management activity enhances efficiency by integrating solutions. The Group's resources, such as Reception and Hospitality, Management of Green Spaces, Safety and Security, represent complementary solutions that can be mobilized to optimize the management of facility services.

"ATALIAN wishes to distinguish itself by a diversification of its services on the Belgian market of facilities services. With the integration of SIBES, ATALIAN Building Solutions is acquiring a wide range of sectoral expertises and complements the global multi-service offer proposition that is part of our strategy. With Guy Mertens and his team, to whom we entrust the management and development of this Business Line, we believe in a very promising future." Says Guido PERREMANS, CEO of ATALIAN Belgium and the Netherlands.
