Forward Looking Statements

This press release includes forward-looking statements. These forward-looking statements can be identified by the use of forward-looking terminology, including the terms as "anticipate," "believe," "continue," "ongoing," "estimate," "expect," "intend," "may," "plan," "potential," "predict," "project," "target," "seek" or, in each case, their negative, or other variations or comparable terminology. These forward-looking statements include all matters that are not historical facts and include statements regarding the Group or any of their respective affiliates' intentions, beliefs or current expectations concerning, among other things, the Group's or any of its affiliates' results of operations, financial condition, liquidity, prospects, growth, strategies and the industries in which they operate. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. Readers are cautioned that forward-looking statements are not guarantees of future performance and that the Group's or any of its affiliates' actual results of operations, financial condition and liquidity, and the development of the industries in which they operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if the Group's or any of its affiliates' results of operations, financial condition and liquidity, and the development of the industries in which they operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
